swims
are the
best

Experience your own Summer magic when you choose the Dunes Court.

Walking distance to so many things and a relaxing tram ride away from so many more. Take a quick stroll and play in the ocean, relax on the beach and soak up some sun.

Waterpark you say? Sure! Jolly Roger is only a few blocks away and offers some of the best slides, rides and entertainment in town!

Ok, so you've had a swim and now you're hungry. We have you covered there too. Within a few blocks walk you'll find some fantastic dining options- Happy Jack's Pancake House, Pit-n-Pub, Marlin Moon, 32palm, Captains Table and more!

Rides... yes, rides are great too! So are crabs!

The ocean
is literally
right there.

(and so is the boardwalk)

your magic is waiting :)
