the perfect getaway **IS SURROUNDED BY BLUE**

Ocean City, MD offers guests more than 10 miles of inviting sandy beaches and spectacular coastline. Ocean City beaches are also among the cleanest in the nation.

The low tide line on the East side of the island offers packed sand at the ocean's edge, great for walking and collecting seashells. The soft sands along the water's edge provide the perfect oasis for relaxing, soaking up the sun, and digging your toes into the warm surf line. In some areas there are also sand dunes that protect the coastline and the resort. The West side of the island offers up beautiful sunsets over the Assawoman Bay. This perfect getaway is surrounded by blue!

Favorite beach activities include boogie boarding, surfing, sandcastle building, kite flying, treasure hunting, collecting shells, walking, running and lazing about in the sun. Listen to the breaking surf and breathe in the smell of salt air.
